Ing. Dušan HANKO
Head of Product Certification Body

This certificate is issued under the following conditions:

The certificate applies to the product type specified in the above mentioned Conformity Assessment report.

The production process/factory production control is not covered by this certificate.

The certificate does not imply that the certification body has performed any surveillance or control of the production process.

The manufacturer shall ensure the conformity of subsequent production items with the certified type.

Changes that may have an impact on maintaining conformity with the certification requirements may require confirmation of the validity of the certificate by demonstrating compliance with the conditions under which the certificate was issued or by conducting an additional evaluation.

The holder of this certificate must keep the conditions specified in the General Rules for Product Certification, which are freely available at www.tsu.eu
